

Accessibility Policy

It is Virosafe's aim to make all of its services as accessible as possible. We have adopted a range of approaches to enable us to meet our high standards:

- We keep up to date with good practice in the design and provision of services for disabled people
- All of our publications can be made available in alternative formats upon request to the Virosafe Head Office
- Our website has been designed to comply with W3C specifications
- Our website is available in high contrast or with large fonts, see the top bar of the website

If you would like further information or would like to suggest any improvements to the provision of our services, please contact us on 01695 581333 or info@virosafe.com.
